ORIGINAL: ENGLISH

LETTER DATED 28 MARCH 1991 FROM THE PERMANENT REPRESENTATIVE OF THE UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND TO THE UNITED NATIONS ADDRESSED TO THE SECRETARY-GENERAL

I am sending you with this letter a set of 10 sheets in the K7611 Series of topographic maps of Kuwait* produced, on a scale of 1:50,000, by the United Kingdom Director General of Military Survey. The numbers of the sheets are:

5348 -	I	Edition 2
5348 -	III	" 3
5349 -	II	" 3
5449 -	I	" 3
5449 -	III	" 1
5449 -	IV	" 3
5449 -	I	" 2
5549 -	IV	" 2
5649 -	I	" 4
5649 -	IV	" 3

The maps have been produced on the basis of the letter of the Prime Minister of Iraq of 21 July 1932 and the letter of the Ruler of Kuwait of 10 August 1932.

As you know those letters do not offer a precise description of the boundary on the ground. You will also notice that the maps carry the standard Director General of Military Survey note as follows:

> "Maps produced under the direction of the Director General of Military Survey are not to be taken as necessarily representing the view of the UK Government on boundaries or political status."

Nevertheless, I hope they will be of use in connection with any demarcation of the Kuwait-Iraq boundary.

---

* The maps may be consulted in Room S-3200A, extension 3-5048.

READEX FICHE

I should be grateful if you would arrange for this letter to be circulated as a document of the Security Council.

(Signed) D. H. A. HANNAY
